

Music Teaching Matters

January 6, 2026 - No. 82

Welcome to **Music Teaching Matters:** Transforming music teaching with 21st century ideas and strategies you won't find anywhere else.

Do you ever feel like the real value of music lessons gets pushed to the side? Many times we highlight aspects like improved math and reading skills, or increased coordination and perseverance, discipline and memory. All valid points, but these traditional talking points don't really tell the whole story. What if we consider how music lessons... Read more [HERE...](#)

#73 Planning Ahead

It's the first week of lessons in 2026 - the perfect time to gather the most up-to-date information and plan for the months ahead. Lorrie Merrell and Merlin Thompson share how this activity is a main-stay for effective teaching. Enjoy!! [Listen HERE.](#)

Words are Important

As students return to lessons after the holiday break, music teachers can anticipate varying levels of things forgotten and things still intact. So how can we support our students no matter how things turn out? What words can we use?

"Thank you for playing" might be the best way to recognize where students are today as the necessary step to where they could be at their next lesson.

Teach Music 21C Certification

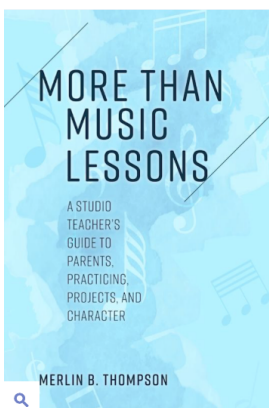

Do you have 5 hours to invest in your own professional development?

Teach Music 21C Certification is more than just adding trendy activities to your already busy studio. It's about redefining what music teachers actually do. TM21C Certification is for music teachers who want their work to matter beyond the studio walls. If that sounds daunting - and exciting - you're exactly who this program is for. Our next cohort starts January 13 and tuition is only \$99 CAD. It could be the foundation for an incredible teaching future!

Expand Your Suzuki Foundation

The music studio teaching world is changing fast.

For Suzuki teachers, the Suzuki Philosophy remains timeless, but how we live it in today's studios must evolve. **Expand Your Suzuki Foundation** is a 10-hour Teacher Enrichment Course that encourages thoughtful Suzuki teaching evolution to meet the realities of today's music teaching world. If you're a Suzuki teacher ready to expand—not

replace—your Suzuki foundation, this course is for you. For more information click [HERE](#). Register [HERE](#) for \$149 CAD.
